February 2024

Have you considered Trade School?

Trade school is a great option to kick off your career. On February 6th we will be hosting a few trade schools to learn about their programs. You can learn specialized skills that interest you. Most programs have efficient training that is streamlined and enable you to enter the workforce quicker. With the many career options available, you will be in demand and be able to contribute to your economic self-sufficiency.

What's In This Month's Issue?

- Upcoming Events
- Trade School
- Reading Club and Logs
- Calendar

This Month at CBIDE

This month at CBIDE, we are excited to continue to grow and share valuable experiences with you. Take advantage of TANF tutoring services if you need academic support. CBIDE continues its unwavering commitment to Education Sovereignty. Throughout February we are dedicated to raising literacy, building engagement, and fostering a supportive learning environment. Together let's celebrate progress, unity and boundless potential of education.

Reading Club and Logs

At CBIDE, we understand the profound impact of literature on cultural preservation and personal growth. Our reading log initiative encourages students to embark on a journey of exploration through regular reading. Students maintain a personalized log, documenting their literary adventures and reflecting on each piece. We will also have a Reading club on Thursdays. This club will encourage reading skills and provide tailored instruction and support. All students who participate will be celebrated at the end of each month.

Reading Club
