Reading Club and Logs

At CBIDE, we understand the profound impact of literature on cultural preservation and personal growth. Our reading log initiative encourages students to embark on a journey of exploration through regular reading. Student maintain a personalized log, documenting their literary adventures and reflecting on each piece. We will also have a Reading club on Tuesdays and Thursdays at 10am. This club will encourage reading skills and provide tailored instruction and support. All students who participate will be celebrated at the end of each month.
