CTEPO Updates!

Announcement!

Don't forget to join us for Mountain Cahuilla Tribal Earth Day on Saturday, April 25th. This year it will be hosted by Santa Rosa. We can't wait to see you there!

March Madness was truly what the last month was like for CTEPO. It was a very busy month, and we had quite the time working on projects.

This month we are gearing up for Earth Day! We can't wait for you all to see what we are putting together for you and we hope to see everyone there!

We also want to take a moment to congratulate Jake and Jason for receiving awards from the State and RSBCIHI in recognition for their work as exemplary community members during the Cahuilla and Dale Fires. They are astounding team players and serve a vital service to the community.

We appreciate them always!

As we head into Spring, we hope to grow our projects to be as prosperous as the wildflowers you can find painting the Reservation. We are ready to get our hands deep in the soil so that we can make the most out of our programs for all of you!
